

Plan snacks, reduce waste - Worksheet

Plan snacks, reduce waste — Grades 4–6

All money is pretend. Show your thinking with words, pictures or numbers.

1. Eight requested snacks cost \$2 each. What is the total?

\$10 / \$16 / \$24

My thinking: _____

2. Buying 8 instead of 12 snacks at \$2 each avoids what cost?

\$4 / \$8 / \$12

My thinking: _____
