

Mira's picnic plan - Plan

Mira's picnic plan — Grades 1–3

Duration: 20 minutes (adjust as needed)

Learning goal: Plan quantities to reduce avoidable food waste.

Materials: Picture cards for four toy guests and pretend fruit.

1. Welcome / 3 minutes: Preview the goal and invite learners to watch, point, talk, use AAC or work on paper.
2. Model / 5 minutes: Set a pretend picnic for four guests who each requested one apple. Plan four apples rather than six. Nobody needs to eat unwanted food. A grown-up handles storage and food safety.
3. Practise / 8 minutes: Explore the 2 worksheet questions together or independently. Allow extra time or skipping.
4. Reflect / 4 minutes: Ask learners to show one money choice and how they worked it out. Sharing is optional.

Adaptation: Use paper food only; no tasting or real food sharing is required.
