

Dino's light detectives - Worksheet

Dino's light detectives — Grades 1–3

All money is pretend. Show your thinking with words, pictures or numbers.

1. In our pretend example, lighting cost \$5 before and \$3 after. What is the difference?

\$2 / \$3 / \$8

My thinking: _____

2. Dino keeps that pretend \$2 with \$1 already saved. What is the total?

\$1 / \$2 / \$3

My thinking: _____
