

Repair, reuse or replace? - Worksheet

Repair, reuse or replace? — Grades 4–6

All money is pretend. Show your thinking with words, pictures or numbers.

1. A suitable repair is \$12; replacement is \$30. What is the price difference?

\$18 / \$42 / \$12

My thinking: _____

2. A pretend \$40 budget pays for the \$12 repair. What remains?

\$52 / \$18 / \$28

My thinking: _____
