

Sammy's tap reminder - Worksheet

Sammy's tap reminder — Grades 1–3

All money is pretend. Show your thinking with words, pictures or numbers.

1. The first picture uses 6 water tokens; the second uses 4. How many fewer?

10 / 2 / 4

My thinking: _____

2. In an invented money example, \$4 becomes \$3. How much less is spent?

\$1 / \$3 / \$7

My thinking: _____
